

# I HATE TO TELL YOU THIS

REAL LIFE. GODLY ADVICE.

## Q: THE POWER OF CONSISTENCY

### Answer:

- We should strive to be consistent because God is consistent.
  - Hebrews 13:8 “Jesus Christ is the same yesterday, today, and forever.”
  - Malachi 3:6 “I am the LORD, and I do not change.”
- There is comfort and security in knowing a person is going to be consistent.
- The greatest enemy to our consistency is our emotions.
  - Sometimes our actions need to precede our feelings.
- It's the small daily deposits that will change us over the course of a lifetime.
- The biggest characteristic of excellence is consistency.
  - Excellence requires repetition. Talent alone is not enough.
- We've become addicted to chasing emotional highs and novelty instead of being faithfully obedient to what God has already called us to.
- Galatians 5:25 “...keep in step with the Spirit.”
- Where do you want to be 5, 10, 20 years from now? Start living for where you want to be.
- If there is something holding you back from being consistent, you might have to cut those things out.
- The decisions you make today effect the person you will be tomorrow.
- It's by being consistent that we have the freedom to make exceptions without completely derailing our progress.

- Layout your entire week in writing and see where you can schedule in time to be consistently in prayer and the Bible.
  - Consistency is excellence in leadership. It creates security and freedom.
  - Colossians 3:23 “Work willingly at whatever you do, as though you were working for the Lord rather than for people.”
